Settled in the town of Coxsackie, Greene Co. N.Y. and as I have always understood came to this Country from Holland. but I think originally went from England to Holland. My Grandfathers name was Isaac C. Collier, and my fathers name was Casper I. Collier. On mother and my Mothers side, who died several years ago. Got together quite a bit of data somewhat in the shape of a family tree and when I get back to Newyork will try and get in touch with the Medad and see if I can get his papers, if so I will be glad to get you further information. I have an office at 366 Broadway Newyork and when in N.Y. can be found there, or they will forward any communications. Kindly advise me when you can

me North as I would like Very much
to meet You. Very truly Yours
